l. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

1. The 1970-1971 epidemic season, measured 15 months from the first recorded case to the last, was delayed by the publication of a paper in 1970 which stated that the epidemic would not occur. The epidemic began in 1971, from the date considered as the beginning. The duration of the epidemic was 15 months, compared with the period of 20 days from the onset of the epidemic to the last case. The epidemic is considered as the period from the first case to the last case.
